Believe

Staind

[Intro]
D# - Dm - D# - F - Gm

[Verse 1]
D# **Dm**
I sit alone and watch the clock

D#
Trying to collect my thoughts

F **Gm**
All I think about is you

D# **Dm**
And so I cry myself to sleep

D#
And hope the devil I don't meet

F **Gm**
In the dreams that I live through

[Chorus]
D# **Gm**
Believe in me

Dm **F**
I know you've waited for so long

D# **Gm**
Believe in me

Dm **F**
Sometimes the weak become the strong

D# **Gm**
Believe in me

Dm **F**
This life's not always what it seems

D# **Gm**
Believe in me

Dm **F**
Cause I was made for chasing dreams

[Verse 2]
D# **Dm**
All the smiles you've had to fake

D#
And all the shit you've had to take

F **Gm**
Just to lead us here again

D# **Dm**
I never have the things to say

D#
To make it all just go away

F **Gm**
To make it all just disappear

[Chorus]

[Solo]
Gm - D# - A#sus2 - Dm

[Bridge]
Gm
It's my life

D#
It's my choice

A#sus2
Hear my words

Dm
Hear my voice

D#
So just believe

[Verse 3]
